Sr Gilmantown July y^e 15^th 1776

I have Been Ever since I Red your orders on the Business I have Been round the ground and as fare as Leaveitts town and I Dont see but that they are as much Exposed as Pigwacket you see what I have wrote to the Committee and as to officers it would be very agreable to the men if they could be certain before they march and as there is the bigger half and if Capt Shepard could not go there is Eleven more that will turn this way if they could have Liberty to Chuse two I submitt it and doubt not but that you'l do Every thing in your power that you shall Judge best for the Good of the whole please to take Charge of the Return to the Committe I should be glad of orders Imediately what to do with the men as they will Lay on you Charge as soon as mustered and you are sensible that some of them Live at such a distance that it wont do to Let them Go home

I am Sr your Hble most obed^t Humb^l Serv^t
